SUBJECT: Timely Receipt of Comments on Recommended Decision re: Class III and IV Pricing Formulas

Due to delays in receipt of surface mail at the United States Department of Agriculture offices in Washington, DC, some additional means of submitting comments on the Recommended Decision on Class III and Class IV Pricing Formulas issued October 19, 2001, have been identified.

Comments may be FAXed to Connie Brenner at (202) 690-0552, e-mailed to “connie.brenner@usda.gov”, “carol.warlick@usda.gov”, or to “joyce.mcpherson@usda.gov”.

Dairy programs personnel will assure that comments so received are hand-delivered to the office of the Hearing Clerk for official receipt, and that all required copies are made. Dairy Programs is requesting that comments longer than 6 pages be e-mailed rather than FAXed, if possible. Comments may be e-mailed in either WordPerfect or Microsoft Word format.

Delivery of comments by means of FAX or e-mail is suggested, not required. However, current U.S. Postal Service deliveries to government buildings are likely to be delayed, and these alternatives should assure timely receipt of your comments.

If you have any questions about this notice, please call this office or Connie Brenner at (202) 720 - 2357.
